

Participation in Psychological Research

Course for which you are submitting this extra credit:			
Date:	Your name:		
Location of study or web address:			
Signature of researcher (or attach printout of Debriefing page for online studies)			
Type of Participation (circle one):			
5-15 min (online study)	15-30 min	30-60 min	Other:

Describe the procedure in the study (what did you do?). If a questionnaire, give examples of the types of questions you answered.

What question were the researchers trying to answer? What do they expect to find?

How do you feel you were treated in this study?
